

Farrell Treatment Center is seeking a licensed clinician (LADC, LPC, LMFT, LCSW) for the Evening Intensive Outpatient Program. The IOP's primary focus is on substance use disorders/addiction. The candidate should have strong background in facilitating groups and using evidenced based treatment modalities including CBT, MET, and trauma based therapies. This position requires individual, group and family counseling skills. In addition to the clinical role, the clinician will also have the responsibility of securing insurance authorizations, maintaining the clinical record per agency protocol, and developing relationships with outside agencies. Hours are Monday through Thursday from 12:30 p.m. to 9 p.m. but may vary depending upon agency need.

Please send your resume to David Borzellino, Executive Director via email at dave.borzellino@farrell-tc.com or fax to 860-225-4641
