

Coronavirus Update

As the response to the coronavirus from the State of Connecticut intensifies, our concern remains for the professionals we serve with certification and training as well as our employees. To that end, the CCB office will remain open only to already scheduled testers, and we will not host any individuals on a walk-in basis. The staff will be available during normal business hours via email only as we focus on limiting any exposure to our own families and loved ones. We understand this may be an inconvenience, and we appreciate your patience.

Remain informed, vigilant and safe, and follow the guidelines set by both the CDC and WHO.

Thank you.
