

November 28, 2018 – The CCB, in collaboration with The Safer Solution, LLC of Ventura, California, is excited to announce the publication of an e-learning program focused on the response to an active shooter situation and other incidents of workplace violence. Created by experts with significant security and military experience, this program is applicable to nearly any organization, regardless of industry. Learn how to protect yourself and your employees or co-workers. Register for this e-learning program today. Three hours of your time could save the lives of you and your colleagues. More information can be found on [The Safer Solution](#) website. The cost is \$99 for the program, with discounts available for bulk purchases.
