Substance Abuse Treatment Facility in New London CT at our Detox location requiring a CAC (preferred or in process) or Masters Level Substance Abuse Clinician. Significant addiction treatment experience required. Availability on weekends preferred. Bilingual candidates are encouraged to apply.

SCADD operates a 20 bed detox facility serving clients in Southeastern CT looking for a medical detox from opiates, alcohol and benzodiazepine.

The Southeastern Council on Alcoholism & Drug Dependence, Inc. is a not-for-profit behavioral health agency serving Southeastern CT for the past 51 years. Our programs cover the continuum of care for individuals struggling with addiction, including Detox, Long-term Residential Treatment, Outpatient & Intensive Outpatient Programs, Outpatient Mental Health Services including Medication Management, and Sober Housing. Our mission is to provide a treatment environment rich in cultural diversity where individuals and families are empowered to overcome substance abuse issues, thereby improving their quality of life.

Job Type: Full-time

Salary: \$19.00 to \$25.00/hour
