CCB Definition of a

SCPG – PROBLEM GAMBLING SPECIALIST

The Connecticut Certification Board defines a *SCPG – Problem Gambling Specialist* as a person who, by virtue of special knowledge, training, and experience, is uniquely able to inform, motivate, guide, and assist persons with problem gambling disorders and the unique problems related to problem gambling disorders. For the purpose of certification, a Problem Gambling Specialist is defined as a clinician who has demonstrated competence in performing a range of clinical activities and interventions as defined by the International Gambling Counselor Certification Board (IGCCB). In order to become certified with a SCPG, a candidate must demonstrate they have completed appropriate education, training, and supervised experience relevant to the treatment of problem gambling. A qualified clinician is considered to be performing as a problem gambling specialist when:

- the clinician has primary responsibility for providing individual and group counseling interventions specifically related to problem gambling disorders
- the problem-gambling specific interventions are identified on a written recovery/treatment plan prepared and reviewed by the clinician in collaboration with the person receiving services
- the interventions are directed toward promoting recovery from problem gambling disorders

Although a substantial portion of the clinician's work experience must be in the counseling domain, work experience must involve experience with all of the direct treatment functions identified by the IGCCB in order to be considered appropriate to meet the certification work requirement. Additionally, all functions must be conducted under appropriate clinical supervision. In all activities, the clinician must demonstrate consistent adherence to the *CCB Code of Ethical Conduct (2010)* & *CCB Code of Ethical Conduct – Disciplinary Procedures (2010)* and agree to continue their professional development with ongoing education, training and clinical supervision.

Once you have submitted your application materials... you will receive written confirmation your packet has been received. After your application has been reviewed, we will notify you in writing (via email) within approximately four weeks of the deadline about the status of your application. If changes or additional information are required, you will be notified in writing at that time. We will also notify you, by email, when your application has been accepted and you will be invited to sit for the standardized exam. If you have questions about your certification packet after submitting it to us for review, or if you have not received an electronic notification after 4 weeks, please email jquamme@ctcertboard.org for assistance. We will attempt to respond to your inquiry as soon as possible.

PLEASE DO NOT CALL THE CCB OFFICE TO INQUIRE ABOUT THE STATUS OF YOUR APPLICATION. If you have questions about the certification process, please email Jeff at jquamme@ctcertboard.org for assistance.
